PREFACE

The All India Council for Technical Education (AICTE) is the statutory body and a national-level council for technical education, under the Department of Higher Education, Ministry of Education, Government of India. AICTE is responsible for proper planning and coordinated development of the technical education and management education system in India.

EduSkills Foundation is a non-profit organization that enables Industry 4.0 ready digital workforce in India. EduSkills works closely with students, faculties, educational institutions, and central/state governments to provide world-class curriculum access, industry exposure, skill development, and career opportunities.

Purpose: The purpose of AICTE and EduSkills is to improve the quality and relevance of technical education in India and to create a skilled and employable workforce for the emerging industries. AICTE and EduSkills have launched several initiatives to provide virtual internship opportunities for students in technical institutions across the country. The aim of these initiatives is to bridge the gap between academia and industry by ensuring practical learning and hands-on experience for the students.

Company's Mission Statement: To promote quality and innovation in technical education and research, and to enhance the employability and competitiveness of the graduates. Providing access to world-class curriculum, skill development, industry exposure, and career opportunities to students, faculties, and educational institutions across the country.

ACKNOWLEDGEMENT

The satisfaction and euphoria that accompany the successful completion of any task would be incomplete without the mention of people who made it possible, whose constant guidance and encouragement crowned our efforts with success. It is a pleasant aspect that I now have the opportunity to express my gratitude for all of them.

It is with immense pleasure that I would like to express my indebted gratitude to my internship coordinator **Dr. G. Hemanth Kumar Yadav, Assistant Professor, Department of Computer Science and Engineering (AI & ML)** who has supported me a lot and encouraged me in every step of the internship work. I thank him/her for the stimulating support, constant encouragement and constructive criticism which have made possible to bring out this internship work.

I am very much thankful to **Dr. P. Chitralingappa, Assistant Professor, Department of Computer Science and Engineering (Data Science and AI & ML)**, for his/her kind support and for providing necessary facilities to carry out the internship.

I wish to convey my special thanks to **Dr. G. Balakrishna, Principal of Srinivasa Ramanujan Institute of Technology** for giving the required information in doing my internship. Not to forget, I thank all other faculty and non-teaching staff, and my friends who had directly or indirectly helped and supported me in completing my internship in time.

I also express our sincere thanks to the Management for providing excellent facilities and support.

Finally, I wish to convey my gratitude to my family who fostered all the requirements and facilities that I need.

P. HARSHITHA
